JITO STYLE GUIDE

JITO as a brand stand for peace, unity and progress; which it aims to achieve through its core objectives of Economic Empowerment – Knowledge – Seva.

Since its inception in 2007, JITO has undergone a lot of changes, both internally and externally, to transform it into a global organisation. Over the years JITO has built many prominent projects, programs and initiatives, which are delivered to the audience by their purpose and people associate themselves with the projects and their purpose.

A corporate identity is very important in giving an organisation a global footprint and it has to form a visual depiction of the organisation's brand image. Certain key elements like standardised logos, colours, fonts and typefaces for the supporting pillars of this visual depiction. JITO has become very large and a critical mass has already been achieved. Thus, it came very necessary that a structured guideline be created and followed by the entire organisation, including its Projects, Wings, Zones and Chapters.

Keeping the above in mind, the new Style Guide Ver. 2.0 was formally launched at an event in Chennai on the 24th of January 2021. A clear-cut hierarchy has been predefined in order to avoid any gaps, conflicts and miscommunication within the organisation, as well as how the organisation is perceived by the outside world.

AMONG THE KEY CHANGES IN THE STYLE GUIDE VER. 2.0 ARE:

- Rationalization and new nomenclature for projects, clearing defining the purpose of each project.
- New logos for all Projects, Wings, Zones and Chapters.
- Clear cut hierarchy between Projects, Wings, Zones and Chapters, including the role they will play.
- Standardised formats for sizes and placement of logos.
- Clearly defined the designations and the order in which they will appear on all promotional and publicity material.

There is a large pool of well educated, qualified and competent people from our society who are looking for a job in a trustworthy, honorable environment and an equally large pool of companies who are looking to hire such people. Only link missing was a platform where both could come together and fulfill each other's needs. Thus, was born JITO JOBS, a humanitarian project of JITO to enable a large number of people, who are without any job in the current scenario or people who are looking to upskill and upgrade themselves to a better job or people who are just looking to work in a better environment than their current employment, with jobs of their choice.

At the same time, JITO Jobs presents a valuable opportunity to all members to hire qualified, dedicated and trustworthy employees from a large database of job seekers. It wouldn't just give them a chance to strengthen their workforce efficiently but also provide them a medium to show their humanitarian side by hiring people from our society and giving them a chance to lead a dignified life. Respect can't be begged; it can only be earned. And you would enable them to do so by hiring them and giving them an opportunity to lead their life respectfully.

The project orientation session each with all chapter conveners was on 9th January 2021 and with the core committee members on 6th February 2021 wherein the vision, mission and core objectives of JITO Jobs was explained and the roadmap to make this project a success was discussed. After deliberations with the whole team, a set of 13 tools were identified to spread the project to every nook and corner of India.

SUDHIR LODHA
 Chairman - JITO Minority

JITO MINORITY

BENEFITS FOR JAINS AS MINORITY

Jain community we are eligible to avail EWS reservation. We are both minorities and come under the general category thus being eligible to get the EWS reservation.

If you are a deserving candidate to be considered under the EWS quota don't miss the benefits provided by the government for Economically Weaker Sections. If the concerned Tehsildar or authorities is/are ignorant about the EWS provisions, show him/her the new EWS rules, and ask for the EWS certificate.

EWS RESERVATION ELIGIBILITY - WHO IS ELIGIBLE FOR EWS CERTIFICATE?

The Parliament amended the Constitution of India to provide for a 10% reservation in education and government jobs in India for a section of the General category candidates. Know all about the EWS reservation, who all are eligible for the EWS quota

ECONOMICALLY WEAKER SECTIONS (EWS) RESERVATION

The government has introduced a 10% EWS reservation for general category candidates. This is for all those candidates who are not covered under any reservations (such as OBC, SC, ST and except PH and Ex-servicemen criteria) and belong to economically backward sections.

WHO IS ELIGIBLE TO CLAIM EWS QUOTA?

The government has laid down certain eligibility conditions for candidates to be able to claim reservation under this new category. EWS full form is Economically Weaker Section.

To be eligible for the EWS certificate, you will have to satisfy all the conditions mentioned below:

You should be a general candidate (not covered under reservation for SC, ST or OBC).

Your family's gross annual income should be below Rs. 8 lakhs. This includes income from all sources such as agriculture, salary, business, etc. for the financial year before you apply for the exam.

Your family should not own agricultural land of size 5 acres or more.

Your family should not own a residential flat of area 1000 square feet or more.

Your family should not own a residential plot (in notified municipalities) of area 100 square yards or more.

Your family should not own a residential plot (other than in notified municipalities) of area 200 square yards or more.

What is Family according to the EWS Reservation rules?

[For this reservation, family includes the following:](#)

The person seeking the reservation.

His/her parents.

His/her siblings below the age of 18 years.

His/her spouse and children below the age of 18 years.

The land or property owned by the family in different locations should be clubbed while checking the eligibility conditions for EWS reservations.

HOW DO I APPLY FOR EWS RESERVATIONS?

You can get the EWS certificate from your local government authority (Tehsil). The certificate is called an Income and Assets Certificate, and this is the proof that is required to avail the EWS reservation.

There is no online method prescribed by the government for getting an EWS certificate. You need to go to your local Tehsil or any other local government authority. You will need additional documents such as Aadhar Card, Pan Card, bank statements, passport size photo, etc. along with the Income and Assets Certificate (downloadable from many government websites). The certificate looks like this below:

The designated government officer will verify your documents and issue your EWS certificate. The certificate issued only by any of the following authorities will be accepted as proof of a candidate belonging to the EWS category:

District Magistrate / Additional District Magistrate / Collector / Deputy Commissioner /

Additional Deputy Commissioner / 1st Class Stipendiary Magistrate / Sub-Divisional Magistrate / Taluka Magistrate / Executive Magistrate / Extra Assistant Commissioner / Chief Presidency / Magistrate / Additional Chief Presidency Magistrate/ Presidency Magistrate / Revenue Officer not below the rank of Tehsildar and Sub-Divisional Officer of the area where the candidate and his family normally resides.

WILL CANDIDATES UNDER EWS GET OTHER RELAXATIONS IN AGE AND THE NUMBER OF ATTEMPTS?

No, EWS candidates will only get the 10% quota in seats. Other eligibility conditions of the IAS exam such as age limit and the number of attempts shall remain the same as for any general candidate.

EWS RESERVATION ELIGIBILITY IS THE CRITERIA UNIFORM ACROSS ALL STATES IN INDIA?

Even though the Central Government brought the EWS criterion, states can have their cut-offs for income. However, for the UPSC 2020 and other central government jobs, the cut-offs prescribed by the Centre will be valid.

DIFFERENCE BETWEEN EWS AND OBC RESERVATIONS

The OBC reservations are for the non-creamy layer section of the Other Backward Classes section. For them, a 27% reservation is given. The EWS is for that section of the General classes (not covered under OBC, SC or ST) whose family income is below Rs. 8 lakhs. For them, a 10% reservation in seats is provided.

There will be a separate (lower) cut-off for the EWS candidates, in the same manner for OBC, SC and ST candidates. However, there is no other relaxation concerning the number of attempts and the upper age limit for applying.

Another difference between EWS and OBC reservations is that in determining the family income for reservations, in the case of OBC candidates, the income of the spouse is not included. In contrast, it is included in the case of EWS reservation.

Achievements of JITO Minority

“

Dear JITO Members,

“It gives me immense happiness that as a part of our vision of JITO and Sharman Arogyam scheme, we could manage to get police protection for Vayavach for our Jain Acharya and his disciples. This is just the start and in future the same can be made available for all Sadhu / Sadhvi and in states. Today I am in Coimbatore and leaving to Tirupur to meet Acharya Bhagwant along with DIG; Collector and Commissioner and hand over the DGP order (attached below my letter and DGP order) and seek Gurubhagwant blessings. This is possible because of good wishes and association with stalwarts like yourself who motivate me and guide me to the best under JITO's umbrella.

Thankyou for your continuous support.”
