Compared to this, our JATF passing percentage is close to 51% which is an achievement in itself.

JATF, the flagship mission that began with its focus on Indian Administrative Services proved immensely successful and it is heartening that it has now widened its scope offering all possible assistance to our meritorious Jain youths desirous to make their careers in Bank PO Services as also in Judiciary. JATF's Judiciary Stream offers mentoring by Senior Judges & Advocates. The stream is

available to those youths who have successfully passed their LLB Exams. I appeal our youths to take full benefits of this stream.

I request the IIT JEE aspirants from our community to seek and gain admissions at our JATF IIT Centre at Kota, Rajasthan which offer the best of the facilities and will greatly help these aspirants to realize their IIT dreams.

My hearty compliments to Shri Mahaveerji Mehta, Shri Gautamji Ostwal, JIW and JITO Dubai team with JITO Youth wing for the spectacular Global Summit organised from 8th to 13th November. It was a wonderful and very well-organized event, the first physical international event after the pandemic. I felt totally that I am with family members, big extended family, such was the warmth and hospitality of Dubai team and affection of all those who attended the conference. More than 350 global participants, knowledge sessions, various workshops, networking & Top-Class entertainment made this truly a memorable endeavour. Salute to Team Dubai for their collective might behind this mega endeavour.

My hearty congratulations to Shri Narendrajji Shyamsukha, Shri Siddharthji Jain and the entire JIIF for highly

successful JIIF Annual Conference 2021. It proved to be a wonderful opportunity towards opening of many vistas for the start-ups. The participation of more than 250 individuals is the proof of its success. I also congratulate the organizers for ensuring the line-up of some of the finest speakers like Mr. Amitabh Kant, the CEO of NITI Aayog and others to make the conference truly a purposeful exercise. Various learned panellists ensured that the participating entrepreneurs gain substantial knowledge and insight through this exercise.

I congratulate Team JITO Professional Forum led by Chairman Ajayji Bohora and Milindji Shah for successfully organising JPF Finance Conclave on Wealth Creation by investing in Equities combined with Panel discussion and interactive discussion with top speakers and panellists.

Dear JITO Family,

JITO International Wing along with Dubai chapter conducted a two days power packed JITO Global Summit in Dubai where more than 400 Delegates representing 15 International Chapters networked together & explored possibilities of Business Collaboration. It was indeed a very well conceptualized, meticulously planned & effectively executed event with clearly defined takeaways from every session. More than 55 JITO Youth members also participated besides playing an important role in organizing this event.

## From the desk of **SECRETARY GENERAL** JITO Apex

Dear JITO Members,

Saal Mubarak!

Hope you had great Diwali celebration as well as a great trip to Dubai. JITO is growing in leaps and bounds and is all due to continuous support to JITO's mission on Seva, Empowerment and Education.

Today I would like to highlight the topic of education. As all of you know that there are more than 25 lacs families which are known to us and not able to pay for the education of their children. We all also know that if 1 person from the family takes proper education, he can help the entire family to become economically self-reliant. Some of us are live examples of this. JITO has been working on this for a long time and we have seen extraordinary result of this. So, we all know that through the support of education we can bring change. I would like to urge all of you to start JITO SEED programme at early as possible along with mass awareness.

We have Seed software to handle Seed programme and few chapters are already using it. Yes, there will be requirement of funds but as you know that for education, whichever chapter has started this initiative, has collected good funds and met their requirements. So, if we start this project, money will flow in. Training will be provided to the working team and this is really good which we should not miss. As all of you know that the activities we are doing under JATF, please take it to all the Jains as quick as possible so all get benefitted.

# A SPECTACULAR GLOBAL SUMMIT DUBAI

8<sup>th</sup> to 13<sup>th</sup> NOV, 2021

Gautam Ostwal  
Chairman - JIW

“ Visit to the world's  
*Biggest Show*  
*Dubai Expo 2020* ”

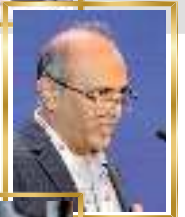

JITO International Wing with JITO Dubai and JITO Youth Wing brought to a multi-facet and a very promising event “Global Summit” from 8th to 13th Nov 2021, that opened the doors for Business opportunities, International Networking, Cross Industry Learnings, Investment Opportunities, 350 plus global participants and of course... Visit to the world’s biggest show “Dubai Expo 2020”.

JITO Dubai welcomed the JITO Family in a celebratory ceremony as people gathered after two long years that were marked by the pandemic. The African Drums revved-up the energy of the gathering in the opening ceremony, making the delegates charged-up and ready for the exciting couple of days of the Summit which they fondly looked forward to.

The event was largely based on the premise of re-connecting and re-energizing. Mr. Paritosh Pathak,

professional networking coach, was present throughout the duration of the event and laid the foundation on the importance on networking. The first day was marked by new friendships and relations which would be worth its weight in gold.

On the morning of 9th November, the delegates were primed to visit EXPO 2020 in Dubai – touted to be the world’s greatest show with an expenditure of about 7 Billion US Dollars. Expo 2020 has been organized with over 190 countries participating in the event over a period of six months. The futuristic extravaganza complete with individual pavilions feels like an entire city built on what were once rolling sand dunes on Dubai’s southern edges. JITO Dubai made special arrangements for the visits to UAE, Saudi and India Pavilions at the Expo site. The delegates spent the day at Expo followed

by an informal networking session & dinner at the Pointe, Palm Jumeirah. 10th November was where the heart of the event lied. The event began by the traditional lamp lighting ceremony. JITO Apex Chairman Shri Ganpatraj Chowdhary, Vice-Chairman Shri Vijay Bhandari, President Shri Suresh Mutha, Secretary Goutam Jain, Director In Charge (DIC) JIW Shri Mahaveer Mehta, Chairman JIW Shri Gautam Ostwal, Shraman Arogyam Chairman Himanshu Shah, JATF President Anil Jain, DIC YW Shri Praveen Bafna, JYW Chairman Shri Dhiraj Chhajjed, Directors Shri Manoj Dugar, Shri Kiran Dantewadia, Shri Ranjit Jain, Shri Indrakumar Chhajjed, Shri Ramesh Gandhi, Mumbai Zone Chairman (ZC) Shri Prithviraj Kothari, TNAPTS ZC Shri Ramesh Jain, Gujarat ZC Shri Kushalraj Bhansali, MPCG ZC Shri Kamlesh Sojatia, ROM ZC Shri Kantilal Oswal with many other dignitaries graced the event with their presence.

The Consul General of India to Dubai laid the foundation of what to expect throughout the day. The Chief Guest for the day, Pujya Brahmavihari Swami of the BAPS Swaminarayan Sanstha left a remarkable impression on all the visiting delegates. The key philosophical principles of Aparigraha and Anekantwad surely left an everlasting impression on everyone's mind.

H.E. Fahad Al Gergawi, CEO of Dubai Investment Development Agency gave a brief of the vision of UAE and invited the delegates to participate in the growth story of UAE. He took great feedback on the needs and wants of the delegates from around the world which was followed by a panel discussion on the Opportunities existing in India and UAE. Post Lunch session was wholly focused on networking and JITO Dubai arranged for representation of prominent companies in UAE like Nikai, Malabar Gold, Danube, Delhi Private School, Apparel group for the members to interact with and assist in their business.

After a power-packed and thought-provoking day, the evening was marked by an extravagant Gala Dinner and performances from various well-known artists., The delegates were enthused by the ghazals and dazzled by hit Bollywood tracks. On 11th November JITO Dubai left no stone unturned on the lineup of speakers and events The day started with an eye-opening session from Mr. Vimal Shah who has fondly earned the title of being the Dhirubhai Ambani of East Africa. Aptly followed by Mr. Mishal Kanoo a noteworthy businessman from Dubai who gave us great insights and vision of the Emirati Culture and Business and its ties with India. Mr. PC Musthafa gave an inspiring rags to-riches real life story worthy of a Bollywood film.

A panel discussion on the next unicorns was hosted by Mr. Nandi Mehta with the who's who of the industry and Mr. Nilesh Ved – Chairman at the Apparel Group spoke on the important topic of the future of retail industry which would affect many of the delegates.

The day was concluded by a dinner at Epitome whereby the members could enjoy a nice evening dinner and reminisce the past few days and establish long lasting friendships and business relations.

12th November a special visit to Jebal Ali Free zone was organized, followed by a second visit to the Expo site for the members as one day would do no justice and yet left the delegates wanting for more.
