CHAIRMAN
JITO Apex

Dear JITO Friends,

"Jai Jinendra".

While we have been emerging stronger through the COVID 19 pandemic, it is important that we continue taking all necessary precautions so that we are not caught in the crosshairs of this dreaded disease. The Vaccine, The Mask, The Social Distancing are the things that will stand us in good stead against Corona.

It is heartening that in spite of the pandemic our chapters and the Apex as also all our Zones, our ladies wing, our youths and our flagship missions have continued to carry out countless activities with the same spirit of enthusiasm and commitment. This defines "Jainism": To be the part of the solution and never the part of the problem.

I congratulate our JATF wing for their successful Mega Students Event "Guidance Seminar for UPSC Aspirants for UPSC Preliminary Examination". This activity is the pillar of our JATF mission just as strong as the support of worthy Patrons to JATF.

I am glad that JITO, in addition to our countless empowerment activities, has proved to be an excellent "Networking Platform" for our members. In this JITO Games too have played important role in bringing members together. I congratulate Chairman of our New Delhi Chapter Shri Vikram Jain and their SPERRY Group for becoming Title Sponsor towards this important initiative.

I congratulate Team JITO Angel Network for launching "Siply" their micro-savings payroll deduction-based App. I am sure it will strengthen the inclination towards Savings through Debt Investment Opportunity.

We all are glad that during the past months so many of our Patron Members have become our Chief Patron Members. The offer is open till 31st December, 2021. It is my appeal to all our Patron Members to soon become CPM which will strengthen our financial resources and widen our umbrella of activities.

JITO is one large family and each day brings us nearer to each other so that we can reach out to each other either to seek or to give assistance. It is this spirit that makes us unique.

My best wishes,

- GANPATRAJ CHOWDHARY

Dear JITO Family,

Sadar Jai Jinendra!

On the auspicious occasion of Parvadhiraaj Paryushan Mahaparv, I would like to seek forgiveness from all of you if knowingly or unknowingly any of my words, actions or deeds have cause any hurt to you. Michhami Dukkadam.

I am glad to inform that JITO is on an auto mode now. Leadership across Apex, Zones, Chapters, Projects and Wings are all working seamlessly in total alignment towards achieving the objectives of JITO.

Last month we all witnessed a very innovatively conceptualized, meticulously planned and successfully implemented "JBN Mahakumbh" a twelve days of virtual business expo. I am sure many in our community would have benefited from this event. I would like to express my deep gratitude to the entire organizing committee of JBN Mahakumbh for putting in a lot of hard work and time in conducting this event.

With travel and gathering related restrictions being relaxed, we can expect very busy months ahead at JITO with many value added projects and events planned by various zones, chapters, projects and wings.

We are going to witness two more Hostels being added by JATF very soon and a few more in the coming months. We are also going to witness Awas Yojna projects being launched by many chapters very soon.

Our international wing is giving final shape to our Global Summit scheduled to be held in Dubai from 8th to 13th November 2021, in which JITO delegates from more than fifteen countries are likely to participate. This will also coincide with 3 days visit to Dubai Expo 2020.

Seeking your continuous support and guidance, I remain.

Warm Regards

- SURESH MUTHA
